Just One More Chance

We are going to give you one more chance to buy Winter Coats at a less price than you could buy the cloth for. This makes a good investment for you, and gives us the money to buy Spring goods with. If you have got to have a Coat next Winter for general use, it will more than pay you to investigate these values.

CHILDREN'S AND MISSES' COATS. CHILDREN'S AND MISSES' COATS. LADIES' WINTER COATS.

In the Coats now offered are values you will look a long time to duplicate. When you can buy Coats at less than the price of cloth it is time to act.

At \$1.49 are a few Children's Coats in small sizes, Coats that have sold at \$3.50 and 3.00. They are a good quality and well lined.

At \$1.98 are a few Coats in small sizes that sold at from \$4.00 to 5.00. Only small sizes.

At \$1.98 are a few Children's Coats in sizes from 8 to 14 years. The linings are worth the price of the Coats. These Coats are good weight and lined all through. They are good values to buy for play Coats for the rest of the season.

At 98c are three young Ladies' Coats, size 12 and 14 years. Are made full length and shoulders are lined.

A look at the values offered below will convince you that you cannot afford to shiver a great while in the old Coat.

At \$2.98 are three Coats, size 10 and 12 that are of more than ordinary cut price value. They are a good styled Coat that has sold at \$6.98.

At \$3.98 is what we have left in Children's Coats in colors. They are our best styled Coats and made to sell at \$10.50 and 12.00.
